Description

With only one previous owner and a full service history, this 2023 Tesla Model Y Long Range is an excellent choice. Boasting four-wheel drive and an electric powertrain, this vehicle offers a smooth and efficient driving experience. The Long Range trim includes desirable features such as 20in Alloy Wheels - Induction, Keyless Driving and Entry, Dual Zone Climate Control, Wireless Phone Charging, and Heated Rear Seats. The vehicle has had its most recent service on 12th May 2025 at 91903 miles and comes with 3 months warranty and a fresh MOT. The Tesla Model Y Long Range stands out with its rapid acceleration, reaching 0-60mph in just 4.8 seconds, showing its superior performance capabilities. The impressive 85 kWh battery provides a maximum range of 331 miles when new, meaning fewer stops on long journeys. Charging is convenient, taking just 12 hours at home with a 7kW charger, or as little as 25 minutes to reach 80% at a rapid public charging point. The vehicle also offers a large boot space, making it a

practical choice for families and those needing ample storage.
VAT Q. 12-24 Months AA Warranty Upgrade Available.
